

# Married Couples with Young Kids Connecting Series

## Dates and Additional Information

Two of the events will be held at church, and two will be off-campus. Childcare will be provided for the events at Berean if needed, while the off-campus events will require you to find your own childcare. The only cost is for the last event, which will be a group dinner at a restaurant where you pay for your own meal.

Below are meeting dates for two communities. Please register for only one community, with the group of dates that best fits your schedule. Since space is limited to 12 couples for each community, we ask that you commit to making at least 3 of the 4 events.
